Hello,

Regarding the issues and concerns at Carson/Moneta. The unhoused individuals were contacted and offered services, but they refused and in turn elected to leave the area. As a result, the area was cleaned of all remaining trash, soiled and/or hazardous materials. Our Homeless Team Deputy Wilson contacted Ms. Aileen Chapman and spoke with her. Lt. Bolder also reached out to Ms. Chapman. Dep. Wilson also provided Ms. Chapman with his contact information for any future issues or concerns she may want to bring to our attention.

Our team also did some cleanup at Carson/Figueroa. The individuals who were loitering near the businesses have all been spoken to by our Homeless Team Deputies. The deputies also had those individuals speak with the Los Angeles Homeless Services Authority (LAHSA). The area has been vacated by those unhoused individuals. The trash, and soiled materials were cleaned up also. Deputy Wilson worked with the business owners located there in giving them some guidance in purchasing and installing a fence around the area that seems to be appealing the unhoused individuals.

Attached are some photographs of both cleaned areas and the fence that was installed.

Respectfully,

*Damon A. Jones, Captain

Hi Captain Jones,

Today, constituent [REDACTED] called to report the homeless problem she has been observing at Moneta/Carson. She said there is an encampment/hang-out area with trash and drug paraphernalia such as needles strewn about. She has observed the homeless persons engaged in activities such as sex in public that are creating a further nuisance for her and her children. She also mentioned that the employees of Little Caesars have tried to mitigate the situation by asking the homeless persons to leave and they have been attacked.

She would appreciate it greatly if Sheriffs would respond out and resolve the situation so she and her children can feel safe visiting the stores/eating places in that area again. She also asked that I let all Council know, so I have included them in this email.

She can be reached at [REDACTED] for further questions or updates on the situation.

Thank you kindly.

Sincerely,

Ginger Buesing
